

## MI3 Titans Equipment Policy

The deposit shall be made in the form of a check payable to “MI3 Youth Sports” and postdated for December 13 of the current calendar year. All checks will be securely held by MI3 Titans Management. At the conclusion of the MI3 Titans season, the checks will be destroyed provided that all required equipment items are returned. Individuals are required and responsible for providing their own football helmet, mouth guard, chinstrap, shoulder pads, and shoes/cleats. All other forms of equipment that can be used during football and cheerleading activities are optional. The following equipment will be issued for this season:

The following items will be required to be returned to the organization:

MI3 Titans Management are only allowed to accept returned equipment. If any of the required equipment is not returned or excessively damaged without being reported for inspection, we as an organization reserve the right to cash the equipment deposit check even if only one of the items are not returned. Football is an extremely physical sport and cheerleading involves movements that require participants to take certain risks depending on the routine being performed. Because of this, we understand that there will be situations where equipment is damaged or worn down. As long as the damage happens during team activities and is reported to MI3 Titans Management so we can inspect it, you will not be held responsible as long as we deem the damage to the equipment accidental and non-excessive.
